“ To Antwane's family, I just found out August 16,2018 about Antwane's passing.The tears came easily. I was shocked to see this news.

*Twane was a great person and a friend. He was full of pride, integrity and deep values. He was so proud of being African american, a marine and a humble person. He was always squared away, shoes shined, straight and squared away.*

*We were friends...I have looked for twane many many times on google etc and he only showed up on August 16th, why? I do not know but my search for him has been for over 20 years.*

*He will always carry a special place in our hearts, my family and all who really knew him. My selfish hope is to know he passed with no pain and now rests in total peace. He was the best of the best.*

*RIP Antwane.....bet.*
