“ *Aunt Velma I am truly sorry for the lost of your oldest. It must be hard for a mom to loose her children. But for each one they are all in a better place.*

“ To My Dearest Aunt: Theresa Sindab,

Oh woman of God, I know you're rejoicing right now, because to be absent from this world (your earthly body) for you is to be present with the Lord. How wonderful it must be to not be hindered anymore to be who He created you to be. No more pain, rejection, sorrow, tribulations and infirmities. Now you are truly free. You've made it home. Thank you for the many talks and your spiritual insights. You will be missed. I love you.

To the family: My condolences. Just know that she's in a much better place. Joseph (Billy) and James (Peanut) be encouraged and make her proud by getting you lives on the path to see her again in heaven. Love you!

*Your Niece
