“ Marietta, Bunnie and Renee: My deepest condolences to you and your family. I never personally met your mother, but through Marietta's stories and her love for your mother I feel as though I knew her. In time, you will smile through your sadness as great memories become prominent when you think of your mother. Love and hugs to all,

“ Family, you have my deepest condolences! What a sweet lady. Back in the day, she always welcomed the young people from our church come over between services. She fed us, kept an eye on us, and showed us that she cared! Rest well Sis. Solomon, we love you!

When I was very young I was in awe of how graceful and beautiful she was dressed and even how she spoke.. to see how well dressed and beautifully composed her daughters were Sunday after Sunday ..the bonds we formed still rang true today. Holy Light Kids for life ... my sisters I love you and I pray your strength.. Continue to walk in the light as your wonderful mother did

We became neighbors when I was a young girl in Jeffery Wilson. She was the nice lady with three little girls. All through life no matter where we would meet it was always good to see her. I also remember her as a dedicated church worker.

*My sympathies to her daughters,
