“ *R.I.H. Ms. Tiffany!! Only meeting you once and something that really has stuck with me is the hug you gave me. First time meeting me and you hugged me like we've know one another for years!! It was like you were apart of the family for years!! You are forever in my heart and your children & family are forever in my prayers. I know that you have already asked God to comfort them as you transitioned on. I will continue to ask Him the same thing! Love you!!! xoxo*
