

Tiffany Ann Whitley Lewis

July 29, 1977 - June 3, 2015

Tiffany A. Whitley Lewis, the daughter of Pricilla Freeman and Dennie L. Freeman (Avis) and the late Carl Whitley and Patricia Whitley, was born in Portsmouth, Virginia on July 29, 1977. She was the wife of James E. Lewis, of Portsmouth, Virginia. Tiffany permeated the essence of life, embodied a spirit of love and entered eternal life on June 3, 2015.

A 1995 graduate of Woodrow Wilson High School where she participated in numerous clubs and school activities. She attended Old Dominion University, Norfolk, Virginia where she studied accounting and finance. Tiffany worked as an Accounts Receivable Coordinator for the Barry Robinson Center, Norfolk, Virginia. Her responsibilities in this position reached broadly across the organization, delivering attention to detail and a tireless work ethic. Tiffany helped to create a work environment that heralded excellence at everything she achieved.

For to Tiffany, being good at her work was not good enough, she exemplified professionalism at all levels of her work. Tiffany will be missed by her colleagues for having a listening ear, being a shoulder to lean on, extending a helping hand, and a smile that lifted the spirit of anyone in her presence.

In an era where communication is tantamount and connectivity with family and friends is now the new normal, Facebook for Tiffany was an inspiration to

everyone who was her friend. Each day you would receive a positive message filled with hope, and she was a “fashionista” heralding to everyone who previewed her page. This woman is truly a “Diva”.

Tiffany is survived by her husband James, mother Pricilla, father Dennie, sister Patria Waters (Dario) and a host of caring and loving family and friends.

“ *My heart is filled with sadness today of hearing this news. I send my sincerest condolences to her family. I pray God will provide the strength of his loving arms to get you all through this time. I worked with Tiff at TTT and was her trainer & friend. I remember one Monday she came to work telling me of a trip she & her husband had made (I think up north) to some relatives home & she excitedly was telling me how much fun they had with a special kind of karaoke system. She sounded like she had such a wonderful time that I immediately researched the Magic Sing machine & purchased it the next day. She was absolutely right, this singing machine is the bomb & has brought many memories to me and my family. We still karaoke at least once a month, but I will forever think of Tiffany each time we have this fun and will pray for her & her family. You will be missed beautiful lady. May you rest in peace my friend.*

“ James, i was so very heartbroken to hear about the loss of your wife Tiffany. I have known you for a very long time and know what it feels like to lose someone close, dear, near, who was a very big part of your life and heart. The what, where, when, and why are not important at this time. God has her in His care. We would never be able to let our loved ones go, no matter when their time was....so it is with nothing but love in my heart that i say....Rest on Tiffany and God has got you in His care James. Pls call if there is a need for an ear, a prayer, a song, a friend....Love you to Life my friend. Vel Harris.

“ Tiffany, words can't express who you were to me, we shared many memories good & bad. Its hard to type as tears fill my eyes but I have to get this out, I don't know I'm going to make it or even walk across that stage knowing that my biggest fan isn't out there crying her eyes out, you made me a better person you ALWAYS pushed me in the right direction & believed in me even when I didn't. You was such a beautiful soul & I am honored that I was blessed with having you in my life. Your time on earth is up but I know you are in heaven living the good life & that's what keep me going. Sunday was a special day it was the last time I saw you & that bright smile & I'm going to cherish those few hours until we meet again.
