“ To my loving husband "J" it has been 42 days ago you left me to go home with our "Lord".My heart still hurt like it was yesterday and I guess it for a long time to come.Our marriage has been called a "fairy tale love", only a few people get to experience the love we had for one another.I cry almost every day for you, I know you are having a good time with all who had gone before you.I want you to know "Timothy Jones" that I,Barbara Jones love and loved you like that teenage girl you met back in the early 80's. I'm so happy you came back in my life when you did and was able to share the ten years,you were a very wonderful husband and friend. J, you will always be have my heart. I LOVE YOU AND MISS YOU VERY MUCH

“ You will be greatly missed. You were like a cousin to me. Every since I can remember, you would be hanging with William and Uncle Matt over Aunt Gloria and Uncle David's House. I will never forget your bright smile and warm personality. To Barbara and family, you are in my thoughts and prayers and I pray that God will comfort and keep you.

“ I didnt expect to fall for you this hard, I just thought you were mama's prize but i did. I never imagined that you wouldnt be here but look. You occupied a large part of my heart and life and i dont know what Im going to do without you. You were there for me from the beginning Im talking back in 83 and althought you were a little slow at times you were there for me in the end. I remember the first time you told me you loved me...it was Dec 17, 2001 the morning i was leaving for the Air Force and you came into my room and woke me up. I will never forget that moment it meant a lot to me. No one had ever taken that father spot before but you had just won me over right then and there. You will always be missed and loved. I will tell Nastaja of her Big Daddy and how you loved his lil Carmela aka "lil baby". I will be talking to you so listen for my voice. I LOVE YOU AND MISS YOU SO MUCH your daughter always and forever###imported-begin###nicole baker###imported-end##

“ Thank you for all the times you helped me get my baby on the road.
I know that you are in heaven looking down upon us.

I Am With You Always

*As you hold me close in memory,
Even though we are apart,
My spirit will live on,
There within your heart...*

I am with you always.

*When you lean on trusted friends
And their caring hugs enfold you,
Within their loving arms,
I'll be there to hold you...*

I am with you always.

*And beyond the far horizon
When we'll finally be together
Where love will be eternal,
And life will last forever...*

I am with you always.##imported-begin##Porshia Smith##imported-end##
