“ My sincere condolences to the family of this wonderful man. He went from being a customer of Portsmouth Public Utilities to being our number one chef and friend. Me and my children always attended his Deep Creek Lodge dinner sales. This man was blessed with cooking hands. I will always remember his delicious gumbo and the best BBQ that would make your mouth water!! I will always remember his kind words and positive feedback. And will miss him sending me FB reels. Thank you for sharing the pic of him wearing the 49ers chef hat and apron. That gift from me meant the world to him. You have gained your wings and no longer in pain. I will remember you always... "Denzel"..he liked when I told him he looked like Denzel Washington :)

Remembering you always...LaToya Scarborough and Family
