“ I still can't believe you're gone my friend... The last time we saw each other we were decorating for your aunt's birthday party... but my best memory of you is when we were at Lisa's house & you taught me something. We would forever laugh about when we saw each other... Today my heart is heavy & broken... You were truly loved & will be missed... Prayers to your mother, sisters & extended family & friends.

“ *I don't know where to begin because I am still in disbelief. Tongela, I love you, we had so much planned to do and now I'm just lost. I can't thank you enough for everything you have done not just for me but my kids as well. Everything happens for a reason even if we don't understand the reason which I will never understand this. You were truly an Angel, now you are an Angel in heaven and rightfully so. I will forever miss you luv until we see each other again sleep in peace continue to watch over me and my kids I love you*

Sis I can't begin to tell you how much I will miss you. I am in total disbelief. I know God doesn't make mistakes and He loves us all unconditionally. So, Him calling you home was for the best. I will always carry my memory and love of you in my heart forever. I will see you again my sister. Love always. Ne-ce.
