“ Due to covid my "Pop" has not been able to come out. Since things are getting better I wanted to take him to his favorite place all to learn of Tony's passing. Tony always had the checker table ready for me to play, with a nice cold Pepsi and hand full of gum. I always enjoyed going with my pop to get his hair cut. Tony you are deeply missed. Condolences to the family.

“ I'm so sad to learn of this & express my deepest sympathy to Tony's family & his many friends on his passing. I & my son have been patrons of his barber shop for many years & were anxiously awaiting his return from being sick as stated on his sign at the shop. May he rest in peace & to say that we will miss him immensely is truly an understatement! I thank God so much for blessing us with his presence in our lives & welcoming him to his eternal home! I look forward to seeing you there again some day my dear friend.
