“ I thank God for giving me such a wonderful true friend. I'm going to miss her so much. We laughed and cried together. I know you are in a better place and no more pain. She was a wonderful Mother, Wife, Sister, Daughter and Grandmother. I remember having the conversation with her when she found out she was going to be a Grandmother. She was so proud and excited. Now you will be her guardian Angel. Sleep well my friend until we meet again. Love Sherri Kuykendall Pulliam

“ Praying God's comfort for our family. Tonya was a cousin I spent a lot of time with growing up. Such a gentle spirit and awesome woman of God. Our God has called you to be with him. No more pain and suffering. So it's not goodbye but see you later. Until then, "It is well!"
