“ Condolences and prayers to all the family and friends during this difficult time!
Tracie our bubbly friend of over 20 years will truly be missed!
She loved to have fun, laugh out loud, host dinners and cook enough food for an army 🍴
She was a selfless giver; never expecting anything in return. She loved to shop with others in mind because she'd always give people something they need!
We're so grateful for Tracie's love and friendship in our lives, it was a real gift to our family!

Much love, strength and peace!!

Donald, Lisa and Andrew Valley*

“ *Tracie you were more than just a friend you were family. I called you my sunshine because of that bright infectious smile. You were there when I needed a laugh and a sister to call on. You hold a special place in my heart and you'll never be forgotten. I can still hear you now hey Masyn Wasyn hey Maya Waya because you always had to rhyme a name. You will definitely be missed. Love you sunshine.*
