

Tracy Gray Jordan

December 9, 1965 - August 28, 2022

Tracy was the second child born to Wilbur and Delois Gray. She was born in Norfolk Community Hospital when the family resided in the Queen's City section of Virginia Beach, Virginia. She graduated from Deep Creek High School in Chesapeake, Virginia. Tracy continued her education and earned certification in child-care.

Over the years, Tracy is credited with caring for and positively establishing the course of life for many children who are now living lives as successful adults. Every child entrusted to the care of Tracy became a family member with the conscious involvement of her entire family. Additional employment included Appletree Daycare, Sparrows Nest Daycare, Rite Aid, and USUI International Corporation.

The "Love of God" was always a major factor displayed in Tracy's life. She contributed much in religious service to three beloved congregations: New Hope Baptist, New Genesis Worship Center, and Immanuel Baptist all of Chesapeake, Virginia.

Whether in the church, community or on the job, Tracy never met a stranger. So many will forever state that they never heard Tracy complain or find reason to not smile. When others might become baffled about how to handle a situation, Tracy was known to take control with her reassuring proverbial "Piece of Cake". Tracy was a significant glue for her family and a viable point

of contact for her many friends.

In the celestial cloud of witness, Tracy has joined her father, Wilbur Gray Sr., brother Wilbur Gray Jr. and sister Tiffany Gray. Her immediate mourners include her mother, Delois Gray, sister, Tonia Gray; nieces Chynell (Titus) Caldwell, Wilma Gray, and nephew Eugene Joyner. Six great nephews and nieces; Noah, Kayden, Malachi, Tiffany, Trinity, and Tori. Aunts and uncles include Vivian Dixon, Joyce Hood, Debra Lewis, Marion Robinson, Nelda Sims, Donald (Pamela) Gregory, Sylvester (Karen) Gregory, Timothy Gregory, Wayne Gregory, Floyd Gregory, Marvin Gray, William Gray, Alvin Gray, and numerous loving cousins and friends.

I knew Tracy to be a kind person and she exhibited a very loving spirit. My heart was heavy when I learned of her passing. I will miss her wonderful visits and the beautiful fresh flowers that she always gave me on my birthday, and Mother's Day. I will miss her but, I will always remember her lovingly. Sorrowfully, Argie Lamb

“ Honestly Tracy I didn’t want to post because that makes it real. You will be missed by so many. You looked out for all of us that were younger at New Hope. Got me my first job. Always showed up to any church program your friends were in. And when my grandma passed you were with my mom everyday. I may not have always said it but you were appreciated. I think I can speak for all your little brothers and sisters from New Hope when I say we are all better for having had you in our lives. Rest well Sis we will all see you later.

“ *Tracy you will truly be missed by us all. I will forever be grateful for the way you treated me from my childhood days as well as my adulthood. I remember every Friday I would come over and you would take Tiffany and I to subway or McDonald's because Mrs Gray would always say “y'all know it's the weekend and I don't cook on Fridays” Thank you so much for always being a big sister to me and always being there for my family when we needed you. I will miss hearing you say your favorite saying when we would see each other “WHAT'S UP BOSS”. You have truly earned your wings, Rest In Paradise BOSS!!*

“ We would like to express our heart felt sympathy to the family of Miss Tracy. We met Miss Tracy years ago when our son was just a baby at Sparrows Nest Daycare. Miss Tracy always took the time to care for our children. At Apple Tree Daycare she continued to look out for our children. Even more than that she kept in touch with our family over the years. We will miss her visits to our home when she was in the area. Thank you Miss Tracy for always having a kind word to say and your advice that you often shared with our children, Calvolyn and Karone. We love you and know that you are in God's care. May you rest in peace.

“ Tracy will truly be missed. She was a daughter, mentor and friend. Tracy made a difference in my life and all of the Foster family. From infancy to college graduation, Tracy made success possible. She knew how to issue the proper amount of correction saturated with the proper amount of love

Trust the Lord with all your heart, and don't depend on your own understanding. Your 1962 Crestwood High School classmates want to express deep sympathy to you for the loss of your daughter, Tracy. God will give you comfort and peace in this moment of sadness. Inez Loney Randolph

I was just browsing through and came across Tracy's picture and my heart was saddened. I remember Tracy when she would pick me up and carry me out to Rev. Foster's house to do work for the family. She was always so full of energy, always kept me laughing. Delores I am praying that you will find peace in knowing that this only a temporarily separation. One day the Lord call all of his children home and we will see our love ones again. Oh what a time, what a time! until than that know that the Lord will help you through . Love you Rev. Keith Johnson (co-worker from maryview).
