“ *To the family and friends of Travis Taylor, he had a beautiful soul and a great outlook on what he wanted for his life. Everyone that knew Travis knew he was a genuine person and would do anything to please you. Although I've only known Travis for a few short years, his impact on me will live forever in my heart.*

He loved his family, his job, and those he met along the way. In his 35 years, he has accomplished more than any of us. I always remember my first time meeting you and the first time I watched you play football.
