“ Gwen, I send all my love, support and prayers to you. I can not even imagine how you feel. Just know that God will not put no more on you then you can bare. So if the tears need to flow, let them be tears of joy. Remember the good times and treasure the memories. All my love!###imported-begin##Tameka Gay##imported-end##

“ Tristan it has indeed been many many years since i have had the pleasure to see you. But i remember when you came to Florida to visit us, and we had a BALL in the back "grass areas" of my mom's apartment. I remember carrying you on my back..we had a blast. I will NEVER forget those times. I only wish i could have been around more, still working on making my way to VA. I love you with all my heart and to Gwen you will remain in my prayers. This will be a rough road to get through, but as the family has always told me that GOD does not put more on you than you can handle. You will remain in my prayers. Love you all!##imported-begin##Jesseka Gay##imported-end##

“ Gwen, I am sending you a big hug! I wish I could be there to hug you personally. I can't even imagine your pain. But I know there is a higher power that will help you get thru this. Trust & stay close to God, seek him to help you make it each & every day. I can't tell you that it will get easier or that you won't often think of Tristan, because you will think of him often & you won't forget. Gwen just try to focus on the good times, focus on your memories & pictures you have. I will give you some time & I will call & talk to you. May God Bless you each & every day. Love you##imported-begin##Carolyn Gay##imported-end##

“ Tristin has been in our prayers since I became friends with his Aunt Kristie Lundy. We work together. I lost my nephew November 2008 at the age of 20 to cancer. It is extremely difficult to understand why a loving GOD allows such suffering to such a young person. Tristin's soul is in a better place and in no more pain. Know that there is comfort in Jesus Christ, the One true Savior of the world.

“ I can't believe that you are gone. It seems like it was just yesterday that we were talking about you going to school in Atlanta and going back to church with me so you could tell your testimony (I already told some of it when you told me you were almost done with treatment). I think you were taken from us too soon. Even though I know you are in a better place it's still hard to deal with. I love you and will never forget you lil bruh. Rest in peace. Love, D.
