“ Troy was a great guy. I always enjoyed our conversations when I would see him. He has an amazing daughter and he was so proud of her, it was evident when he spoke about her.

“ Our hearts filled with sorrow when we heard about Troy's passing. He will be truly missed. My parents have fond memories of chatting with him when he saw them (on Lee Highlands). Our family's thoughts and prayers are with Troy's family during this difficult time.

“ My heartfelt condolences to the Bell Family for the passing of Troy. I remember all the Bell children fondly as I was their babysitter for many years when they were very young and our next door neighbors. Troy was my brothers David and George's best buddy for a time. I came across a photo of my brothers David and George on a pony in our front yard. David said it was from Troy's cowboy birthday party. Maybe around 1971 possibly. Mr. Carl, Melanie, Krissy, and Carl II (aka Carlie), and other family members, may you find encouragement in God's promises and comfort in His presence. May faith and love sustain you now and for the days ahead. With Deepest Sympathy, Brenda Evans Jones
