“ I had the pleasure of meeting Tyneka when she was a student at WBHS. She was motivated, focused and determined to achieve her goals. Tyneka was such an inspiration to me and others. Her laughter and smile was contagious!

God picked a beautiful flower to be with him. We will miss her terribly but we know her memory will be forever in our hearts.

“ I met Tyneka in 2015 with the pleasure of being her middle school teacher. That was my first year teaching in Chesapeake, and Tyneka made my year one of the best. The love and joy she gave me impacted my motivation to teach. I nominated Tyneka as my most inspirational student. She then had the opportunity to select her most inspirational teacher and chose me. Tyneka said, "I have a great teacher who cares about me. She is very helpful, kind, sweet, and nice. She is generous, and I appreciate what she does for me. She talks to me and cares about how I am feeling. Her name is Mrs. Johnson." She later gave me a thank you note that said, "I really appreciate everything you do for me; I Love you." To the Johnson Family, I am so sorry for your loss.

Tyneka was a beautiful person inside and out. She was the first student ever to write me a thank you note, and she helped me to see that I matter and make a difference being a teacher. I always look forward to crossing paths with my former students and catching up on how they have been doing. It breaks my heart to know I will never have that opportunity with a student who meant so much to me. I will forever cherish the notes I have kept from Tyneka. May God bless the family and bring peace and comfort to your hearts. May Tyneka rest in Heaven. Love, Mrs. C. Johnson
