“ RIP Aunt Velma. I have been blessed for the time we shared. I will truly miss that fire in you and that infectious smile. I love you aunt v. The few minutes that I laughed and talked with you on the day you went to heaven will be remembered in my heart always. Don't worry about (kizzy) Linda your daughter and Joyce your granddaughter. I will always be there for them. I do believe in my heart that God's plan after your sister passed was for you to be there as a mother and grandmother for Linda and Joyce. And you were wonderful in doing so. You are in no pain and I do believe in my heart that you held on just a little bit longer so you could talk to Linda. At least she can hold on to that conversation ending with the words I love you. You will be missed but never forgotten.
