“ *My condolences to the family. Goose was a very sweet and beautiful spirited person. I didn't know her but for a short period of time, but in that time frame that I did know her, she always made me feel like I knew her all my life. Every time I saw her she would walk up to me and give me a big hug and a big kiss and always made me feel like I was family, and I appreciate that. You were known and loved by many and u will truly be missed.*
