“ To my family. Mothers are your best friend and comforter and one that you always have fond memories of. They are never, never forgotten. Love you Angie and family. FYI, I must share a memorable moment that I had with her when we came from a funeral and we got in the wrong car and was sitting in the back seat. We sat there for a moment when we realized we were in the wrong car. Don't laugh. That was a memorable moment. From: Yvonne, your cousin.

“ Gomez:
I pray that God will comfort you and your family during this time. You are one of my oldest friends and I treasure memories of our experiences together, both at Clarke Junior High School and in Cavalier Manor. Both of your parents were terrific people and I pray for their souls. I am hopeful that the peace of God will shelter your family that His will be done. Just know that I thought of you today and that I will always smile when I think of yesterday.

“ Darrell, Angie, Sheldon (aka Pee Wee),

When I heard about the passing of your mom it hit me like a ton of bricks. She was like a second mom to not only myself but to many that lived on Horne Ave. She taught me a lot of things that have taken me far in life. She will be greatly missed but never forgotten. May you find comfort in the Lord during this difficult time. I love you guys.
