“ Rest In Peace Virginia, you are going to be missed...I remember ages ago when we were young and innocent. Aunt Bessie was always a constant about getting your education, she brought you and Ella up right. We were so close, you and Ella were a little older than us, y'all had the latest records, the latest clothes in fashion and the best of roll models...Big Momma and Aunt Bessie, always pushing you to get that high old school education at least. Best of all, we had a village. Y'all let us invade your space...we had fun, even sometimes when I know we got on y'all nerves...we we around so often, everyday. Yes You will be missed Virginia, the further my memory takes me back, the more I cherish those memories. May the Lord rest and keep your spirit. Rochelle, to you Virginia...” JUNIE”.

“ Virginia you'll truly be missed you have left a lasting impression You cared so much for the children you had your favorite but you still treated them all like they were favorite. Not a day has gone by you weren't on my mind and in my prayers Well I won't be fussed out anymore than asked to go buy you a Pepsi out the machine or you wanted to take a break Love you Va.R.I.H
