“ Ms. Virginia, as she was affectionately called by me and some of her friends, was a beautiful nice person. I loved her as a person because she would make me laugh at her comical jokes while in her presence. She did well with her business making people beautiful. Ms. Virginia was a good friend of my sister-in-law, Anne Bess and was once her beautician. She was a nice comical person, always saying things to make people laugh. Ms. Virginia helped and looked out for many people. May God continue to bless her family and give them strength during this time of bereavement.

“ One of my favorites Aunts! Aunt “Tootsie”. I didn't see much of her in my adult years. But the memories I had of her as a little girl were kind, loving, and fun to be around. Rest In Peace Aunt Tootsie. You will be missed.
