“ Another one of God’s soldiers called home! I thank the Lord for my friend Evangelist Diane Bullock for sharing her beautiful family with me. Many times Duke invited me to his church for a program where he made sure his sister Diane was singing, blessing God and the people of God. Duke or his pastor would always recognize his sister for supporting him in his street ministry. Duke testified that it was God that saved him, from his self, nobody but God he would say, and if he saved me he can save anybody. Duke would always say that his walk with God was the best thing he could have ever done. Rest in peace Duke, for your works do follow you!
