“ A good heart has stopped beating, a good soul ascended to heaven. We are deeply sadden by the loss of Grimes (as we affectionately called him). Fond memories are what we have to remember him by. Those good memories back to grade school and those great March Greyhounds days. It was just on his birthday that we gave him a "shout-out". We know that he will be a guardian angel watching over his big girl, Joi. June, may care and the love of those around you provide comfort and peace through the days ahead.

Sincerely,
Troy Trotter (class of 80)

“ I have known Bill for over thirty years. He was always willing to help a co-worker. His supervisors could depend on him to give more than 100%. After I left the government, I called on Bill at Little Creek as a vendor and it was a pleasure to help him with the items he needed for his shop equipment. We shared many stories of the past and talked about many old friends. He had such a positive attitude about himself even on his worse days. He will certainly be missed.
