“ I will miss my big brother! I cannot believe you are gone. It was so sudden. I am still in shock. Even though you were 20 plus years older than me, we shared some good times. Because of you, I was able to attend most I.C. Norcom High School football games on Friday nights at Frank D. Lawrence Stadium. Those that knew our mother, Ms. Cleo, she would not let me go anywhere unless she was there or one of my brothers. No matter how tired you were from working hard all week long at Blow’s Plastering Company, you would say “Ok, let’s go”! It was our thing to go to the games together. You even showed up for games at Hampton University when I was there. You drove me to New Jersey to start my first job after I graduated from college. Thank you brother for coming when you could to watch my sons play sports. You always made our family gatherings fun and upbeat! Yes, we are going to miss you, but we know you are in a better place. We will see you again! God had other plans for your life! We love you! Teresa (Pudden), Perrie, Tyrie, & Tyler❤️❤️❤️❤️

“ *My Dad. Me and him on a greyhound bus sharing a bag of red cashew nuts on the way from New York to Virginia; Him taking the family to Coney Island; Him taking me to a custom dress shop, where I learned the importance of service. My best memories are not my own, but what I've listened to from others that shared it over the years; he was and is still, so loved. We love you, Dad.
