“ *Dearest Dump,
I will always treasure those private talks, the secrets we shared and the laughter over a great plate of food. You were always there for me and I hope you felt the same way about me...your sister "in love" and you always called me "Aunt Melodie". Thank you for the love, the laughter, the consideration, the hugs and the joy of being your sister. Rest my dear brother, and know that I will see you "in the morning". Hug my sweet Brittany for me...I know she was excited to see you. If the Lord allows, come to visit me sometime and be my guardian angel. I will always have you in my heart. I will love you forever.*

*Love,
Your Sister Melodie Boone*
