“ I want to say gone to soon because my young cousin was five years my junior when she passed to her eternal life. But I know better. God had written her story long before her season started and intricately weaved in and out the lives that she would touch and bless by her presence. She has gone home. She is free. She will live on eternally and in our hearts.

*Zola Wright was a beautiful spirit, a beautiful soul, a beautiful young woman--she was one of my Newark, NJ first cousins. When I was growing up in Connecticut as a child, from time to time I would travel with my mother to visit her brother, Uncle Bernard, Aunt Gladys and their 13 children in New Jersey. Zola was among the few that were younger than me. She was among those that I could play with and actually be in a big sister role. We only saw one another from time to time through the years to follow and more so as adults but my childhood and subsequent memories stuck with me because she and I naturally connected.*

*Cousin you were loved so much and I know that you know that. The bond that you shared with your brothers and sisters was unmatched and a force to be reckoned with. You will live on in our hearts through countless memories that will show up in pictures, words, minds, and hearts from year to come.*

*Rest in heavenly peace sweet cousin. Your life and your love have left many of us with a lesson in our souls to be better because of our love for you.*

*Love you Zola!*

“ Dearest Wright Family and Friends,  
Although there are no words to comfort you  
for the loss of your Beloved Baby Sister at  
this moment, it is my prayer that with time,  
understanding and cherished memories you  
each will find your way in due season.

*I will forever cherish time, well spent over the past year when Zola chose to visit Jani, the grands and I, during a few of her road trips. We had great family moments catching up! I had not seen her since she was a youth, and it was a pleasure experiencing her as a BEAUTIFUL woman! Grounded in the Lord and focused on her goals! After Zola packed up to leave on her last visit we hugged, kissed and she smiled so gorgeously, then waved when pulling off until I could not see her... 🦋*

*Precious Time Spent 🙏*

*Forever In Our 💖💖*

*Sincerest Condolences,*

“ We are deeply sorry to hear about the passing of Cousin Zola. She was a wonderful person. We know God has healed her completely and taken her home to Heaven. We all loved her.

*I (Cousin Archie) was so elated when she stopped by, in November 2021, to wish me a Happy 75th Birthday (see attached picture).*

*May God continue to bless and strengthen our entire family, as we celebrate her wonderful life and legacy. Thank God for each day of her earthly presence with us. (Cousins Archie & Doris Earl).*

*In the Name of GOD who is so MERCIFUL Dear Wright Family and friends,  
I humbly greet you with a heavy heart. I am so grateful for Zola making a few road trips in the past year and including Jani, my grands and I in her stops. It was the BEST for many reasons. For one that stood out the most for me, I had not seen her since she was a youth. We truly enjoyed our time together and appreciated how we had all aged, yet matured with GRACE. She had blossomed into a GOD fearing beautiful woman both inside/out and reflected a sense of Independent Drive. On her last day as she prepared to leave we hugged, kissed, waved, and she smiled so radiantly until out of sight.  
Precious Time Spent 🙏  
Forever in our 💕💕  
Sincerest Condolences,

“ *Such sadness as we mourn the loss of Cousin Zola. She had a sweet spirit and expressed her trust and belief in God. I pray for her siblings and the rest of our family as we tread this path of transition once again. Let this remind us that earth has no sorrow that heaven cannot heal.*

*Keep the faith and do ALL YOU CAN for the Lord RIGHT NOW without reserve, for none of us knows the day nor the hour.*

*Be blessed.*
